25th July 2025

Muhammad Azim Hadi Bin Ramlan

has successfully completed the online, non-credit Professional Certificate

Google Data Analytics

Those who earn the Google Data Analytics Professional Certificate have completed eight courses, developed by Google, that include hands on, practice-based assessments and are designed to prepare them for introductory-level roles in Data Analytics. They are competent in tools and platforms including spreadsheets, SQL, Tablesu, and R. They know how to prepare, process, analyze, and share data for thoughtful action.
